

1. Write the chemical formula from the other side of this page into the correctly numbered space provided.
2. Next to each formula write its chemical name.

Chemical Formula

Chemical Name

1. SnBr₂

tin(II) bromide

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

10. _____

11. _____

12. _____

13. _____

14. _____

15. _____

16. _____

17. _____

18. _____

19. _____

20. _____

21. _____

22. _____

23. _____

24. _____
